Dear Mr. Hernandez,
Please see below Supporting Arguments for Motion for Reconsideration.

UOG did not adhere to the right process by issuing the award first instead of the Bid Status. Bid Status should be issued first to allow the Bidders to file a protest. The Bid Status did not indicated that we have the right to appeal in 10 days and did not include that the Bid is recommended to Docomo. If the Bid Status was issued first then Bidders can protest.. If there is a protest then the award will not be issued unless there is substantial interest on part of the government.

But UOG lost or waived all the protection of the law on their part by not issuing the Bid Status until 3 months. The reason that it is an oversight is ludicrous, unacceptable , unbelievable and arbitrary.Please confirm receipt of this email

Very Respectfully
Sedfrey M. Linsangan
President
