With Governance*

**Career Tech High Academy Charter School**

*Year ended September 30, 2022*

June 5, 2025

The Board of Trustees  
Career Tech High Academy Charter School

We were engaged to audit the basic financial statements of Career Tech High Academy Charter School (the Academy), as of and for the year ended September 30, 2022, in accordance with auditing standards generally accepted in the United States of America (US GAAS), and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and have issued our report thereon dated June 3, 2025.

This report summarizes our communications with those charged with governance as required by our professional standards to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process.

## **REQUIRED COMMUNICATIONS**

Professional standards require the auditor to provide the Board or those charged with governance with additional information regarding the scope and results of the audit that may assist the Board or those charged with governance in overseeing the financial reporting and disclosure processes which the management of the Academy is responsible. We summarize these required communications as follows:

### **Overview of the planned scope and timing of the audit**

Our audit scope and timing is consistent with the plan communicated in our engagement letter dated August 19, 2024 and at our audit planning meeting with management.

### **Auditors' Responsibilities under Auditing Standards Generally Accepted in the United States (US GAAS) and Generally Accepted Government Auditing Standards (GAGAS)**

The financial statements are the responsibility of the Academy's management as prepared with the oversight of those charged with governance. Our audit was designed in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, to obtain reasonable, rather than absolute, assurance that the financial statements are free of material misstatement.

An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation.

Our responsibilities are included in our audit engagement letter.

**Changes to the audit strategy, timing of the audit and significant risks identified**

Our audit strategy is consistent with the plan communicated during the audit planning meeting.

**Matters relevant to our evaluation of the entity's ability to continue as a going concern**

We did not identify any events or conditions that led us to believe there was substantial doubt about the Authority's ability to continue as a going concern.

**Our views about the qualitative aspects of the entity's significant accounting practices, including:**

- **Accounting policies**
- **Accounting estimates**

Management has not selected or changed any significant policies or changed the application of those policies in the current year. A discussion of significant accounting policies and sensitive accounting estimates has been included in footnote 1 of the financial statements.

We determined that those charged with governance are informed about management's process for formulating particularly sensitive estimates and about the basis to our conclusions regarding the reasonableness of those estimates.

**Changes to the terms of the audit with no reasonable justification for the change**

We are not aware of any matters that require communication.

**Significant unusual transactions**

We are not aware of any significant unusual transactions executed by the Academy.

**Material corrected misstatements related to accounts and disclosures**

Refer to the "Management Representations Letter" in Appendix A.

**Uncorrected misstatements related to accounts and disclosures, considered by management to be immaterial**

Refer to the “Management Representations Letter” in Appendix A.

**Significant deficiencies and material weaknesses in internal control over financial reporting**

A material weakness identified during the course of our audit has been included in our Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* dated June 5, 2025.

**Fraud and noncompliance with laws and regulations (illegal acts)**

We are not aware of any matters that require communication.

**Obtain information relevant to the audit**

Inquiries regarding matters relevant to the audit were performed during the August 2024 meeting and in the update status meetings during the audit.

**Independence matters**

We are not aware of any matters that in our professional judgment would impair our independence.

**New accounting pronouncements**

Management is still assessing the impact of adopting the following pronouncements:

- GASB Statement No. 91, *Conduit debt obligations*
- GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*
- GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*
- GASB Statement No. 99, *Omnibus 2022*
- GASB Statement No. 100, *Accounting Changes and Error Corrections – An Amendment of GASB Statement No. 62*
- GASB Statement No. 101, *Compensated Absences*

**Significant issues discussed with management in connection with the auditor’s initial appointment or recurring retention**

We are not aware of any matters that require communication.

**Disagreements with management and significant difficulties encountered in dealing with management when performing the audit.**

There were no material disagreements with the Academy's management on financial accounting and reporting matters during the audit.

**Management's consultations with other accountants**

We are not aware of any consultations made by management with other accountants or specialists.

**Other material written communications with management**

None.

**Other matters**

There are no other matters arising from the audit that are significant and relevant to those charged with governance regarding the oversight of the financial reporting process

**AICPA ethics ruling regarding third-party service providers**

There are no significant matters arising from the audit that required us to subcontract portions of the Audit Services to other EY firms and that required participation of personnel from an affiliate of EY or another EY firm or any of their respective affiliates, or from independent third-party service providers.

**Representations from management**

We have obtained from management a representations letter related to the audit and a copy of the management representations letter is included in Appendix A.

**Engagement team's involvement with preparation of the financial statements**

Under GAS 2018 Revision, Chapter 3 Ethics, Independence and Professional Judgment, Paragraph 3.73-74 Provision of Nonaudited Services to Audited Entities explains that the audit team should make consideration of management's ability to effectively oversee the non-audit services to be provided. The engagement team should determine that the audited entity has designated an individual who possesses suitable skill, knowledge or experience and that the individual understands the services to be performed sufficiently to oversee them. The engagement team should document consideration of management's ability to oversee non-audit services to be performed.

The engagement team believes that this significant threat is reduced to an acceptable level upon application of the following safeguards:

- An engagement quality review was performed by a qualified Ernst & Young Partner who was not otherwise involved in the audit.
- All adjusting journal entries that Ernst & Young posted to the trial balance have been approved by management of the Academy.
- The preparation of the financial statements is based on the Academy's trial balance with the understanding that underlying books and records are maintained by the Academy's accounting department and that the final trial balance prepared by the Academy is complete.

\*\*\*\*\*

The Academy's Principal and third-party accounting service provider have the skill sets to oversee and review the completeness and accuracy of the financial statements and footnote disclosures.

This communication is intended solely for the information and use of the Board of Trustees and management and is not intended to be, and should not be, used by anyone other than these specified parties

Very truly yours,

*Ernst & Young LLP*

In connection with your audit of the basic financial statements of Career Tech High Academy Charter School (the “Academy”) as of and for the periods then ended September 30, 2022, we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion whether the financial statements present fairly, in all material respects, the respective financial position of the governmental activities and general fund, and the respective changes in financial position thereof in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief:

***Management’s responsibilities***

We have fulfilled our responsibilities, as set forth in the terms of the audit engagement agreement dated August 19, 2024, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with US GAAP applied on a basis consistent with that of the preceding period except for the effects of adopting new accounting standards.

In preparing the basic financial statements, we evaluated whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Academy’s ability to continue as a going concern for one year after the basic financial statement date.

We acknowledge our responsibility for the design, implementation and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. We have provided you with:

- Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters. This responsibility includes identifying the use of new technologies or techniques in preparing such information (e.g., the use of generative artificial intelligence), and

additional details you may require regarding the use of any such technologies and techniques in order to perform your audit procedures.

- Additional information that you have requested from us for the purpose of the audit
- Unrestricted access to persons within the Academy from whom you determined it necessary to obtain evidence

We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
