PROCUREMENT APPEAL**

IN THE APPEAL OF:

DOCKET CASE NO. OPA-PA-25-008

FAR EAST EQUIPMENT  
COMPANY, LLC,

Appellant,

vs.

GENERAL SERVICES AGENCY,

Purchasing Agency.

**APPELLANT'S OPPOSITION  
MEMORANDUM TO PURCHASING  
AGENCY'S MOTION TO DISMISS**

Comes now the Appellant Far East Equipment Company, LLC, by and through its counsel, and files its Opposition to Purchasing Agency's Motion to Dismiss in IFB-GSA-017-25, involving a procurement for an articulating boom lift and an indoor scissor lift.

**I. Relevant Background Facts**

Attached hereto as Exhibit "A" is the Chronology of the Facts involving the procurement activity of the subject matter and the resulting appeal.

**II. Legal Arguments**

**1. Appellant's Appeal is Not Time Barred.**

5 G.C.A § 5425 (a) states that an appeal from a Procurement decision needs to be made within 14 days.

1 As the Chronology clearly shows, the Appellant filed its Appeal within 14 days.

2  
3 A review of the following key dates is instructive:

- 4 1. April 7, 2025 - Appellant filed his protest.
- 5 2. April 24, 2025 - GSA denied Appellant's bid protest. Therein it
- 6 stated that this is the final decision concerning your protest. You
- 7 now have the rights to seek any administrative remedy.
- 8 3. May 9, 2025 - Appellant filed its appeal with OPA.
- 9

10 The final procurement decision was made on April 24, 2025. A copy of the final  
11 procurement decision is attached hereto as Exhibit "B". See page 2, 4<sup>th</sup> line from the top  
12 of the page. The Appellant filed its appeal on May 9, 2025. By not counting the day of  
13 April 14, 2025, and by counting the day of May 9, 2025, then the appeal was timely filed  
14 on the 14<sup>th</sup> day after the final decision. Thus, it is clear that the Appellant had filed its  
15 appeal within the required 14 days.  
16

17  
18 2. Purchasing Agency Improperly Argued the Merits of Its Case.

19 At page 5, lines 4-25, and page 6, lines 1-20, the Purchasing Agency improperly  
20 argued the merits of the case. This is improper because Appellant is entitled to call  
21 witnesses, including expert witnesses and to present its case in chief at a full hearing on  
22 the merits of its case.  
23

24 III. Conclusion

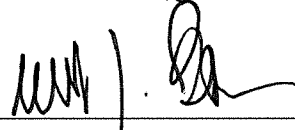

25 Appellant filed its Notice of Appeal within the required 14 days. Accordingly,  
26 Purchasing Agency 's Motion to Dismiss should be denied.

RE: Response to Protest Filed by Far East Equipment Company, LLC on April 7, 2025 for Invitation for Bid No. GSA-017-25, Articulating Boom Lift and Indoor Scissor Lift (Latest Model)

Dear Mr. Limtiaco:

We are in receipt of your protest dated April 7, 2025, in which you indicated that you are protesting that the Letter of Credit submitted with your bid proposal covers the 15% bid bond requirement.

**GSA Response:**

The General Services Agency (GSA) conducted the procurement for Invitation for Bid (IFB) No. GSA-017-25, Articulating Boom Lift and Indoor Scissor Lift (Latest Model), in accordance with Guam procurement regulations. GSA issued IFB No. GSA-017-25, Articulating Boom Lift and Indoor Scissor Lift (Latest Model) on January 24, 2025. Questions and comments were due on March 5, 2025. No comments or questions were received from Far East Equipment Company, LLC regarding the bid guarantee requirements. The bid opening was held on March 21, 2025. Far East Equipment Company, LLC submitted a protest dated April 7, 2025. Based on the protest, GSA issued a stay of procurement, pursuant to 5 GCA §5425g, which states that "in the event of a timely protest under Subsection (a) of this Section or under Subsection (a) of §5480 of this Chapter, Guam shall not proceed further with the solicitation or with the award of the contract prior to final resolution of such protest ..."

The Special Reminder to Prospective Bidders, signed by you on February 25, 2025, indicates that there are two acceptable options for the bid guarantee (15% of bid amount), and they are (a) Cashier's Certified Check or (b) Surety Bond. Far East Equipment Company, LLC submitted a Letter of Credit with its bid proposal, which does not satisfy the requirements listed in the Special Reminder to Prospective Bidders. Nothing in the specifications contained within IFB No. GSA-017-25, Articulating Boom Lift and Indoor Scissor Lift (Latest Model) violate the procurement code provisions.

Response to Protest Filed by Far East Equipment Company, LLC  
April 24, 2025  
Page 2

GSA hereby finds that there is no merit to the Far East Equipment Company, LLC's claim that their bid was the most responsive. Far East Equipment Company, LLC's bid submission was properly rejected due to no bid security or insufficient bid security.

This is the final decision concerning your protest. You are hereby advised that Far East Equipment Company, LLC has the right to seek any administrative or judicial review as authorized by law.
