Guam Congress Building

The Legislature is committed to governance that is transparent, accountable, and available to all. To do this, the Legislature has achieved the following goals:

- Transitioned toward a paperless session utilizing cloud based file storage and access to digital legislative documents.
- Enhanced our YouTube outreach by providing closed captioning for all live Legislative Events
- Creating more improvements to fiscal reports to ensure accurate data for audits.

Goals

- Create a more transparent branch via more accessible legislative process for the public by optimizing virtual public hearing attendance to ensure every voice is heard.
- An ongoing refinement of the Guam Legislature website will better serve its visitors to access legislative files and archives in a more streamlined experience.
- Create a more transparent branch via more interactive legislative process for the public via website interaction and more

Legislative Channel and Livestream

Since its inception, *i liheslatura* has adapted to maintain transparency by utilizing live streaming technology to allow easy access of public hearings, legislative events, and legislative session via YouTube.

Since our move to the Guam Congress Building, the legislature has been live-streaming and keeping archives of legislative events on the streaming service, YouTube. Currently, there are over 4,100 video uploads that the public can access via our YouTube channel, “*Guam Legislature Media*.” This includes Legislative media that precedes the inception of the Legislature YouTube channel.

The Plaza de España

Located in the heart of the Hagåtña, the *Plaza de España* is a site under the National Register of Historic Places (NRHP). *I Liheslaturan Guåhan* is the steward of this historic treasure, and has immediate purview of the Plaza, which includes the iconic three-arch gate to The Almacén, The Azotea, and the famous Chocolate House.

The Plaza has been the venue for numerous private and public events, with *I Liheslatura* providing access to the plaza grounds for each event. *I Liheslaturan Guåhan's* Protocol Office administers the permitted use of this space.

In addition, *I Liheslatura* continuously maintains and improves the park's appearance and safety to ensure the historical value and cultural heritage is in pristine condition for our off-island visitors and local community to enjoy. Some of these improvements include:

- scheduling weekly maintenance of lawn and shrubbery.
- combining efforts with Guam Forestry to properly maintain flora.
- working with Guam Visitors Bureau,(GVB) to provide the Plaza de Espana security under the Visitor Security Officers (VSO) program.
- working closely with Guam Preservation Trust to promote the historic awareness of the Plaza via informational markers throughout the park.

I Liheslatura remains committed to ensuring the Plaza de España maintains its historic presence for generations to come.
